REAL FEED IS PROMISED ALL WHO
ATTEND GARDEN PARTY TOMORROW

Glance Over Tempting Viands
Listed Below and Decide to be
'Among Those Present'

The housewives of Honolulu have
been busy during the past week pre-
paring the many tempting articles
which are to be placed on sale to-
morrow at the garden party which will
be held at the residence of Mrs. F. J.
Lowrey, Lunallilo and Victoria streets,
under the auspices of the Outdoor Cir-
cle.

Three dozen chickens, 300 rolls,
loads of home-made bread, pies,
cookies, baked hams, roast ducks, sal-
ads, pickles, preserves, jams, jellies,
cakes—these are the things which will
be on sale in the delicatessen depart-
ment. The best cooks in the city are
working hard to please the patrons of
the garden party, and those in charge
believe that every purchaser will get
her—or his—money's worth. Mrs. An-
drew Fuller and Mrs. Ida Waterhouse
are famous housekeepers and, as they
are in charge of the delicatessen, this
feature of the fete can hardly help
but be a success.

The candy table, with Mrs. W. C.
Hobdy at its head, has solicited home-
made sweets from those in Honolulu
who are best qualified in this particu-
lar line of cookery. The refreshment
booth, with Mrs. Lorrin A. Thurston
and Mrs. J. A. Kennedy as managers,
promises to be all that could be asked
for as a dispenser of cooling drinks.

The balloon booth, with Mrs. Ed-
ward Dekum as the vendor, will be a

hard one to get near, as all kiddies
large and small love balloons and must
have them to make the day a complete
one for them.

The coffee garden will be presided
over by Mrs. G. Fred Bush, who prom-
ises all kinds of good sandwiches with
each cup of as fine a brew as can be
made from the famous Kona prod-
uct.

Tempting cornucopias and ice cream
will be dispensed by Mrs. Charles Ath-
erton and a corps of Honolulu's pretti-
est girls will be on hand in the role
of waitresses.

Many beautiful and rare plants,
ferns and palms are to be sold by
Mrs. A. G. M. Robertson.
Seventy dainty and beautifully dress-
ed dolls will be on sale, as well as
many of the attractive novelties in the
varied forms of keweenaw. Mrs. Charles
Wilder and Mrs. Carpenter will be
in charge of this booth.

Mrs. W. L. Moore and Mrs. Edward
Watson will sell popcorn and peanuts
to the young and old alike. The
Christmas gift table will be loaded
with many dainty articles, and it will
be here that the visitor will find many
an appropriate gift for friends both
at home and on the mainland. Among
the many acceptable articles which
will be placed on sale are coat hang-
ers, dainty wash bags, practical creton-
nages, men's stickpin cushions, guest
towels, dresser trays, and many other
novelties too numerous to mention.

The proceeds of the fete will be de-
voted to the treasury of the Outdoor
Circle.

LOCKSUN CONSORT

EVADES BRITISH
PURSUERS

For many days a companion to the
German steamer Locksun, now in-
terned at Honolulu, the freighter
Tsingtau, which members of the local
Teuton colony had reason to believe
might fall into the hands of British
or Japanese war vessels, is reported
to have found a safe haven in the
neutral waters of Cebu harbor in the
southern Philippines.

Fourteen days out of Jaluit, Mar-
shall Islands, far from the port for
which it originally cleared, the small
North German Lloyd steamer Tsing-
tau put into Cebu. The Tsingtau left
Manila on August 17 with 2300 tons
of coal on board, cleared through the
custom house for the port of Menado,
in the Celebes.

Although cleared through the regu-
lar channels, the sailing of the coal-
laden German steamer brought forth
a great deal of comment at the Phil-
ippine capital, for it was not generally
believed that the vessel had any in-
tention of sailing for the port of clear-
ance. The information received did
not state whether the cargo of coal is
still on board the Tsingtau.

At the same time that the Tsingtau
was cleared the German steamer
Locksun, now at Honolulu, also
cleared with a cargo of coal for the
Celebes.

Whether any action will be taken
by the Manila custom authorities in
investigating the mysterious trip of
the Tsingtau and the breaking of regu-
lation by not proceeding to the port
of clearance, has not yet been an-
nounced.

Filmer May Be Given Berth.

That Capt. W. C. T. S. Filmer, re-
serve commander in the Toyo Kisen
Kai's service, who has been spending
a year on the Pacific slope may soon
be assigned to a berth on one of the
larger transpacific liners, is the
prediction made following the re-
port of Capt. Filmer's departure from
San Francisco for Japan. The skipper
is stated to have been ordered to re-
port at the Tokyo office. His mission
to the Far East is a matter of much
conjecture and a question which he
declined to discuss when he passed
through Honolulu some days ago. It
is generally believed that Capt. Filmer
will relieve one of the skippers now
in the service.

"GETS IT," 2 DROPS.
CORN VANISHES!

The Only Sure Ender of All Corns.
Desperate, are you, over trying to
get rid of corns? Quit using old for-
mulas under new names, bandages, wind-
ing-tapes and cotton rings that make

This is the Grip of the Hefty Corns
Feeling of "GETS-IT"

a fat little package out of your toe.
Quit punishing your feet by using too-
tasting salves and ointments.
To use knives, files, scissors and ra-
zors, slicing and hacking at a corn,
only make it grow faster and bigger.
It also brings danger of bleeding and
blood-poison. The new way, the new
principle never known before in cor-
nology, is "GETS-IT." It's a liquid
—2 drops on a corn does the work.
Pain goes, the corn begins to shrivel
and out it comes! You apply it in two
seconds. Nothing to stick, nothing to
burn, and it never fails.

Try "GETS-IT" tonight on corns,
calluses, warts or bunions.
"GETS-IT" is sold in Honolulu by
Benson, Smith & Co., cor. Fort and
Hotel Sts., and Hollister Drug Co.—ad-
vertisement.

New Schedule inaugurated.

To inaugurate a 28-day freight ser-
vice between the east coast of the United
States and the Hawaiian Islands
which has been under consideration
for the past several months, the Amer-
ican-Hawaiian steamer Mexican has
passed Panama canal and is due to
arrive at Honolulu about November
28, according to late advices received
by C. P. Morse, general freight agent,
for the line at this point.

The new schedule which was
brought to the attention of local ship-
pers through the columns of the Star-
Bulletin a number of weeks ago will
doubtless prove a decided boon to the
business interests of the territory in
that it will give the islands a direct
freight connection with New York, Bos-
ton, Philadelphia and other important
east coast ports. It is planned to des-
patch American-Hawaiian steamers from
the Atlantic terminals every 10
days, the cargo carriers to pass
through Panama canal making but one
stop on the Pacific in visiting San
Pedro. The steamer Dakotan is said
will follow the Mexican, arriving here
about December 7. The last vessel
in the service available for holiday
merchandise will be the Washington-
ian expected here December 18.

The thirtieth annual exhibition of
the National Horse Show Association
has been called off on account of the
war. The foreign horsemen, who usu-
ally provide most of the attraction,
cannot come over.
